A Single Shard

GENERAL INFO | DETAILED SUMMARY | CHAPTER QUESTIONS

Download Worksheet: (6.0)A Single Shard.pdf 17

Chapter 1-4

What was Min's misunderstanding after he caught Tree-ear holding a piece of his drying pottery?
→ Min thought Tree-ear was stealing it. (Chapter 2) 18

What was Min's life desire?
→ Min wanted to receive a royal commission from the King for his pottery. (Chapter 4) 19

What two facts made Ch'ulp'o famous for ceramics?
→ It was located on the shore of the Western Sea, which provided an easy sea route to trade with China.
→ The river that flowed through the village had a plentiful supply of clay, needed for ceramics. (Chapter 1)

What colors resulted when potters used glazing created from just the right combinations of clay, water, and wood ash?
→ Greens, shades of blue and gray, and violet. (Chapter 4)

What punishment did Min give Tree-ear for breaking one of his pottery pieces?
→ Tree-ear had to work for Min without pay for 9 days. (Chapter 2)

Describe Min. Explain the difficulties one would have if working for him.
(Example Answer)
→ Min is a master potter. He is stoic and appears unapproachable and rigid. It would be difficult to have open communication or have a personal connection.
